

AS A VITAL LINK IN THE PLASTICS SUPPLY CHAIN, OUR SUCCESS IS CONTINGENT UPON CONSISTENTLY PLACING OUR CUSTOMERS FIRST. WE ENHANCE THEIR PERFORMANCE BY DELIVERING A BROAD RANGE OF PRODUCTS, VALUE-ADDED SERVICES, AND ON-TIME DELIVERY. OUR MATERIAL EXPERTS PROVIDE RECOMMENDATIONS WITH THE END GOAL OF INCREASING OUR CUSTOMER'S OVERALL PROFITABILITY, SUPPORTING THEM TO REACH THEIR FULL POTENTIAL BY BUILDING LONG-TERM STRATEGIC PARTNERSHIPS.

MATERIALS QUICK REFERENCE GUIDEMISSION

ADHESIVES, SOLVENTS AND SEALANT

Anaerobics	Camie	Devcon®	Methacrylate	Structural	Weld-On®
ASI Adhesives	Cyanoacrylate	Epoxy	Spray On	Threadlockers	

CORROSION RESISTANT MATERIALS

CPVC	HDPE	LDPE	PTFE	PVDF	Ensikemi®
Kynar®	Polypropylene	PVC			

ENGINEERING PLASTICS

ABS	Extruded Nylon	PBT	PPS	SUSTARIN®	Torlon®
Acetal	Flourosint®	PEEK	PTFE	SUSTAMID®	UHMW
Acetron®	Hydex®	PBT	PEI Radel®	Tecaform®	Ultem®
Cast Acrylic	Hydlar®	PET Ryton®	Tecadur™	PET	
Cast Nylon	Ketron®	Polystone®	Semitron®	TecaPEEK™	
Celcon®	Noryl®	Polysulfone	SUSTA®	Techtron®	
Delrin®	NyCast®	Polyurethane	SUSTADUR	Teflon®	
Ertalyte®	Nylatron®		SUSTAGLIDE	Tivar®	

HIGH PRESSURE LAMINATES

1130	Copper Clad	Fishpaper	G-11	G-7 L, LE	Vulcanized Fibre
C, CE Extren®	FR-4	G-3	G-9	Micarta®	X, XX, XXX
Composites	Fiberglass	G-10 G-5	GPO -1, -2, -3	Phenolics	XP, XPC

INDUSTRIAL PRODUCTS

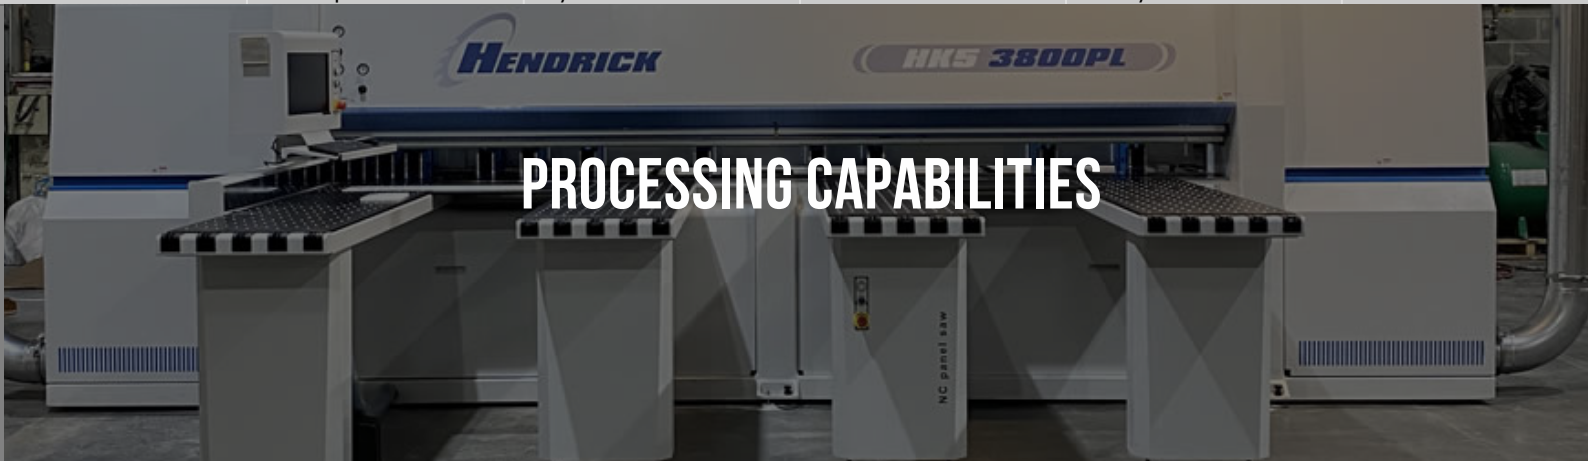

Acetate Sheet	Cleaners & Polishes Tygon® Tubing	Polycarbonate Tube, Profiles, Extrusions
Acrylic Rod, Tube, Profiles, & Extrusions	Cutting Boards	Teflon® Fabrics and Tapes
Aerosol Adhesives & Mold Releases	Fingersxxxxxx Tubing	Vinyl Sheet, Vinyl Tube

MOLDMAKING AND PROTOTYPING PRODUCTS

Casting Polyurethanes	Epoxy Laminating Pastes & Resins	Modeling and Tooling Boards
Extrusion & Modeling Pastes	Fastcast Resins Vacuum Casting	Polyurethane Resins
Epoxy Casting Resins	Filters & Repair Pastes	

SHEET PLASTICS

ABS	Bayblend®	Celtec®	Makrolon®	Optix®	Royalite®
Acrylic	Boltaron	Hurriguard®	Marine Board	Palight®	Spectar™
Alpolic® Mirror	Bullet Resistant	Hygard®	Mirror	PETG	Styrene
Aviation-Mirror	Coroplast	Kydex®	Multiwall	Polycast®	

NC SAWING – CUT TO SIZE

Precision sawing services on all materials we stock using state-of-the-art NC equipment.

NC GUILLOTINING

We operate Seybold air-operated guillotine to provide precision shearing of thin gauge materials such as HIPS, PETG and Polycarbonate.

CNC ROUTING / DRILLING

Our dual-head CNC routers allow us to run two identical parts on the same machine at the same time for increased efficiency. A vacuum table holds the work piece without clamps or vises. Capabilities include circles, discs, square or rectangular parts, mill-down surfaces, radius edges, drill, countersink, and counter bore holes.

FABRICATION SERVICES

Consider us an extension of your team. We enjoy working closely with our customers design and material engineers, quality engineers and purchasing. We are able to provide additional value by fabricating, polishing, bending, and gluing parts to your exact specifications and we can save you both valuable time and money by having these firststage processing steps completed and delivered just in time to your door.

WORLD CLASS PACKAGING

Customers will get photo of packaging before it leaves our facility.
